Graphic Design Experience

Dermapay (April 2021)

Worked with a team of 3 on Figma to create a motion graphic video which earned admiration of peers and the instructor. Assets were crafted on Illustrator.

Gotchi (Feb 2021)

Coordinated team of 4 to create collateral for a hypothetical advertising campaign that was voted best in class. Assets were created in illustrator and ported to Indesign for assembly

Video Editing Experience

Holland Park Pavillion (Dec 2021)

With a team of 3, edited video in After Effects and coordinated shot composition online to advertise the opening of a hypothetical park pavillion that was recieved well in class.

Reaching Out (Feb 2021)

Wrote and produced a hand-drawn video regarding the effects of the COVID-19 pandemic on a subject's life, earning high praises from the professor. Editing was done on After Effects
